O R D E R

On March 16, 1993, Intervenors, Mark Smith, Kathleen Smith, Sarah-Jean McDowell, Thomas G. Smith and Angela S. Haley, through counsel, filed a motion for change of venue for the April 8, 1993 hearing or in the alternative for leave to take video depositions of witnesses. Intervenors request that the hearing be changed from the Public Service Commission's offices in Frankfort, Kentucky, to a location in Jefferson County at the University of Louisville School of Law. In support of their request, Intervenors state that three of them are elderly and have health problems which restrict travel and that their expert witnesses are employed in or reside in Jefferson County.

After considering the motion and being otherwise sufficiently advised, the Commission finds that the Intervenors' request for a change of venue should be denied. However, the alternative of video depositions of witnesses which would then be shown at the public hearing is reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. Intervenors' motion for change of venue is hereby denied.
2. Intervenors' request to take video depositions of witnesses is hereby approved. Any video depositions of witnesses or other video tapes to be shown as part of the public hearing shall be served on opposing counsel and the Commission no later than April 2, 1993. Failure of any party to serve video tapes on opposing counsel may be considered sufficient grounds to deny admission of the tapes at the public hearing scheduled for April 8, 1993.

Done at Frankfort, Kentucky, this 26th day of March, 1993.
